

An aerial photograph of a blue train traveling through a verdant valley. The train, consisting of a locomotive and several passenger cars, is seen from above as it curves along a track that follows the edge of a steep, forested hillside. The valley floor is covered in dense green vegetation, and a few small buildings are visible near the track. In the background, more hills rise under a clear blue sky. The overall scene conveys a sense of adventure and natural beauty.

Exploring Vizag, Araku Valley: A 5-Day Adventure

Em bro, veldama vizag
tour ki????

Nen raanu ra, work
undi "FULL STRESS"

For those who are thinking the same

Money returns, time doesn't
